

PRESS CONFERENCE ANNOUNCEMENT

City of Hemet Police and California Highway Patrol to Announce Traffic Safety and Crime Prevention Partnership

The Hemet Police Department and California Highway Patrol will hold a joint press conference to announce an innovative partnership aimed at enhancing traffic safety and reducing crime in the City of Hemet.

Under the terms of the agreement, the CHP will provide two full-time traffic officers to patrol State Highway 74, also known as "Florida Avenue" in the city of Hemet. The officers will work closely with Hemet Police Officers in an effort to increase visibility, improve traffic safety and deter crime along this historic route. Florida Avenue serves as the city's main thoroughfare and is the San Jacinto Valley's retail corridor.

Details of the partnership will be discussed at the press conference:
