October 2015

Whereas,

the City of Hemet recognizes that it has a vital role in identifying, protecting, and responding to cyber threats that may have significant impact to our individual and collective security and privacy; and

Whereas,

critical infrastructure sectors are increasingly reliant on information systems to support financial services, energy, telecommunications, transportation, utilities, health care, and emergency response systems; and

Whereas,

Whereas,

maintaining the security of cyberspace is a shared responsibility in which each of us has a critical role to play, and awareness of computer security essentials will improve the security of City of Hemet information infrastructure and economy;

Now, therefore, I, Linda Krupa, Mayor of the City of Hemet, on behalf of the entire City Council do hereby declare October
