Date: November 11, 2015  
Date of Incident: November 10, 2015  
Contact: Lieutenant Dean Evans (951) 765-2467  
Prepared by: Sergeant Bob Nishida (Hemet PD- Central P.A.C. Team Commander)  
Subject: Saturation and AB109 Compliance Operation in the cities of Hemet, San Jacinto, and the unincorporated areas of Hemet

On November 10, 2015, a joint enforcement operation was conducted in the Hemet/San Jacinto Valley. The operation consisted of saturation patrol, attempt warrant services, and compliance checks on subjects on Post Release Community Supervision (PRCS), Mandatory Supervision, Parole, and Probation in the cities of Hemet, San Jacinto, and the unincorporated areas of Hemet.

The following agencies assisted with the operation:

Hemet Police Department- Crime Suppression Unit (CSU) & ROCS Team  
Central P.A.C. Team (Post-release Accountability & Compliance Team)  
East P.A.C. Team  
West P.A.C. Team  
Riverside County Probation Department- San Jacinto Probation AB109 Unit  
All 8 regions of the Riverside County Regional Gang Task Force  
Riverside Auto-theft Interdiction Detail (R.A.I.D.)  
California Department of Corrections & Rehabilitation- Division of Parole  
California Highway Patrol K-9 Unit

The operation consisted of 122 pro-active enforcement stops, attempt warrant services, and compliance checks, which resulted in the arrest of 31 individuals. 5 firearms, body armor, numerous rounds of ammunition, a stolen vehicle, large quantities of methamphetamine, pounds of marijuana, and drug paraphernalia were recovered as a result of the operation. There were numerous subjects that failed to provide accurate addresses so warrants will be requested for those individuals and arrests will be made.

In 2011, Governor Brown signed Assembly Bill (AB) 109. It was Governor Brown's solution for reducing the number of inmates in the state's 33 prisons to 137.5 percent of design capacity by June 27, 2013, as ordered by the Three-Judge Court and affirmed by the U.S. Supreme Court. Implementation of the 2011 Realignment Legislation began October 1, 2011. Under

Realignment, newly-convicted “low-level” offenders without current or prior serious or violent offenses stay in county jail to serve their sentence, which increases the county jail population for each individual county. Those individuals released and were previously supervised by State Parole Agents are now being supervised by county probation officers.

Riverside County public safety agencies formed multi-agency task forces, such as the Central P.A.C. Team, to ensure that those individuals on Mandatory Supervision (also referred to as split sentence) and PRCS (Post Release Community Supervision) are in compliance.
