

FREE LOW-FLOW TOILET EXCHANGE PROGRAM

April 27th

ONE DAY ONLY

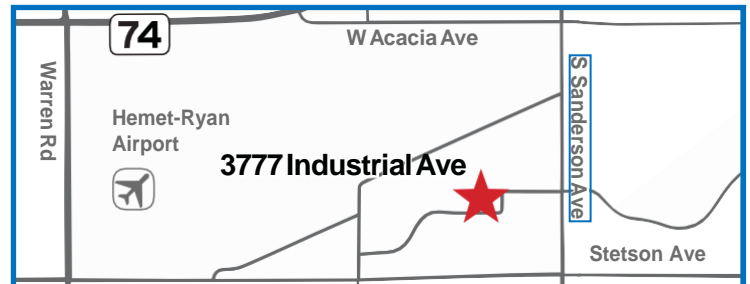

IT'S FREE!

Toilets will be provided at no charge to City of Hemet water customers.

DATE & TIME: Saturday, April 27, 2019
7am – 2pm

LOCATION: City of Hemet Corporation Yard
3777 Industrial Avenue
Hemet, CA 92545

FREE HIGH EFFICIENCY TOILET EXCHANGE

Low-flow toilets will be provided at no charge to City of Hemet water customers from 7am-2pm. If you are unable to attend this FREE event, you may contact the City of Hemet the Monday *following* the event to inquire about any remaining inventory. For more information about the Low-Flow Toilet Exchange Program, please contact the Public Works Department at (951) 765-3712, or visit our website at cityofhemet.org.

HOW DOES THIS PROGRAM WORK?

1. You must be a City of Hemet Water District customer and provide proof of your current water bill.
2. Bring proper identification that you are the customer.
3. Have a way to pick up your FREE low-flow toilet.
4. Install your new high-efficiency toilet.
5. Return your old toilet on May 11, 2019.

Customer must return older toilet to the Corporate Yard on May 11th, 2019.

The AquaSource Henshaw (Model # T802D) 2 piece dual flush toilet features an elongated bowl for added room and comfortable use. It combines versatile design with efficient functionality.

- Top mount button is easily accessible with 1.1 gallons per flush to save water or 1.6 gallons per flush
- Complete kit includes seat, bolt caps, tank, bowl, and wax ring
 - ADA compliant and WaterSense certified
 - Easy installation
