Be
brave

Activities:

-Bravery Badge: supplies needed are multiple colored pieces of paper, marker, ribbons, scissors, glue, and a safety pin. Cut out three circles – small, medium, and large. Write “I am brave” or “brave” or “courageous” on the smallest circle. Glue your circles on top of one another. Cut your ribbon into two strips and glue them in an X-shape behind the circles. Let your project dry before attaching the safety pin. Add stickers or your own designs with markers to the badge.

-Think of ways that you are brave: Did you eat a new food? Did you say “Hi” to someone even though you were feeling shy? Did you try a new activity?
