## Where is Bessie?

## Activities:

-Flashlight Hide and Seek: To play, select a few items and then place them in plain sight around a room for your child to find. Turn of the light and let your child search for them with a flashlight.

-Lift-the-Flap Farm: Where is Bessie hiding? Make your own lift the flap scene with construction paper, scissors, glue, crayons and your own drawing skills. Paper colors needed are red, green, brown, and white. Use the white paper as the back ground. Cut a barn out of the red paper and glue on to the white sheet. Cut out a barn door out of red paper (this will be your flap) and glue the left side on top of your barn. Cut out a tree truck from brown paper and the leafy tree top from green paper. Glue the tree top to the trunk and let dry. Once your tree is dry, glue the bottom on the trunk on the white sheet. Draw Bessie behind the barn door flap. Draw something else hiding behind the tree.
