Activities:

--**Alphabet Maze:** take painters or masking tape and create a maze on the floor for your child to follow. Using a maker, write the alphabet along the maze and through in some "wrong turns" to make sure your child is paying attention to the proper alphabetical order (see photo above. Thanks to www.handsonaswegrow.com) ↑

--**Letter of the Day:** Pick a letter to work on with your child and ask your child to find things around the house that begin with that letter.

--**Hide and Seek Alphabet:** hide alphabet magnets (or other alphabet shapes) around the house and call out letters for your child to find.
