A \$5,000 non-PERSable lump sum payment to be made in the first full pay period after Council approval of this MOU.

ARTICLE 6 -- WORKWEEK/OVERTIME

6.1 Workweek:

The workweek is the period of time on which overtime requirements for non-exempt employees, under the FLSA are based. The standard workweek for each employee is a fixed and regularly recurring period of one hundred sixty eight (168) hours, composed of seven (7) consecutive twenty-four (24) hour periods.

Although the workweek is intended to be fixed, it may be changed by City in emergency situations. Any schedule changes outside of emergency situations will be agreed upon by the Union and City.

- a. The workweek for all employees who work a standard Monday through Sunday workweek shall commence at 12:01 a.m. on Monday of each week and end at midnight on the following Sunday.
- b. All employees shall work a "4/10" alternative work schedule, comprising eight (8), ten (10) hour days in the pay period.

Employees working a 4/10 alternative work schedule may opt to take a Thirty (30) minute lunch, subject to approval of their immediate supervisor.

6.2 Overtime:

It is the policy of the City to avoid the necessity for overtime work whenever possible. In cases of emergency or whenever public interest or necessity requires, any employee may be directed by proper authority, and is expected to perform, overtime work.

Time worked by a non-exempt employee in excess of forty (40) hours in the seven (7) day workweek shall constitute overtime.

The workweek is defined and set forth in Section 6.1 above. A nonexempt employee will be paid one and one-half (1½) times the employee's regular rate of pay for all hours worked over forty (40) in the seven (7) day workweek.

All work, outside an employee's regularly scheduled shift, must have the approval of the employee's supervisor prior to actual performance of the work. Failure to obtain such approval in advance subjects an employee to discipline.

6.3 Hours Worked:

Only those hours that are actually worked by non-exempt employees shall constitute "hours worked" for purposes of determining entitlement to overtime pay.

Time taken as paid leave, including, but not limited to, holidays, vacations, sick leave, compensatory time off, bereavement leave and other similar periods when no work is performed shall not constitute "hours worked," unless allowed otherwise in this MOU.

Time worked for which employees receive additional compensation pursuant to this MOU, including but not limited to call back pay, shall constitute hours worked to the extent that it represents time actually worked.

ARTICLE 7 -- CALL-BACK/STAND-BY

7.1 Call-Back Pay:

a. Call-Back Rate for a Physical Response:

The City shall provide unit members with a minimum of two (2) hours' pay at the premium rate of one and one-half (1½) times the employee's regular hourly rate of pay, or at one and one-half (1½) times the employee's regular hourly rate of pay for the actual hours worked, whichever is greater, when an employee leaves the work premises and the employee is required to physically respond to the City to perform services after the employee's regular scheduled working hours.

b. Call-Back Rate for a Remote Response:

Any employee who is not required to physically return to a work site should record all time spent on phone calls or performing other work from a remote location (i.e. home or other off-duty location, responding to SCADA notifications/alarms, etc.) as hours worked on his/her timesheet.

Such hours shall be paid at the premium rate of one and one-half (1½) times the employee's regular hourly rate of pay for the actual hours worked, when an employee is required to perform work on behalf of the City absent a physical response. Such time shall be paid in minimum increments of fifteen (15) minute intervals.

c. Call-Back Rate for Well Rounds:

Well rounds require an employee to physically visit and inspect each active well site prior to 9:00 a.m. The City shall provide unit members with a minimum of three and one-half (3½) hours' pay at the premium rate of one and one-half (1½) times the employee's regular hourly rate of pay, or at one and one-half (1½) times the employee's regular hourly rate of pay for the actual hours worked, whichever is greater, when an employee is assigned to perform well rounds on a non-work day, holiday, or outside of the employee's regular scheduled working hours.

d. Call-Back Rate for Park Openings:

Park openings require an employee to open all City parks, park restrooms, and monument areas by 7:00 a.m. The City shall provide unit members with a minimum of one (1) hours' pay at the premium rate of one and one-half (1½) times the employee's regular hourly rate of pay, or at one and one-half (1½) times the employee's regular hourly rate of pay for the actual hours worked, whichever is greater, when an employee is assigned to perform park openings outside of the employee's regular scheduled working hours.

e. Duplication of Call-Back Rates:

There shall not be any duplication or pyramiding of call-back rates under this section.

An employee shall be credited with not more than one (1) minimum two (2) hour guarantee for work performed on a physical response during any consecutive two (2) hour period. An employee credited with two (2) hours pursuant to this section may be assigned other work until the guaranteed time has elapsed.

An employee shall be credited with not more than one minimum fifteen (15) minute guarantee for work performed remotely during any consecutive fifteen (15) minute period. An employee credited with the fifteen (15) minutes pursuant to this Section may be required to perform other work remotely (i.e. answer, receive, or respond to additional phone calls, etc.) until the time has elapsed.

Absent call-backs which occur within the same consecutive time period, each individual call-back event shall be subject to the minimum payments outlined in this Section. If an employee is physically called back to work, the two (2) hour minimum begins from receipt of the first phone call or alarm and the reported/compensated hours worked ends when the employee arrives back home from the work site. An employee is expected to proceed directly to/from such work site(s).

7.2 Stand-By Pay:

The purpose of assigning employees to stand-by duty is to ensure the City has qualified employees available to respond to after-hours operational needs and/or emergencies on behalf of the City.

a. Stand-By Rate:

When an employee is assigned to stand-by (after hours) duty by the City, the employee shall receive two hundred ten dollars (\$210.00) per week for the entire period of such assignment. Employees are generally assigned to stand-by duty on a weekly rotational basis, beginning at 6:00 a.m. on Monday and ending at 5:59 a.m. on the following Monday. If, for any reason, an employee does not complete the full week of a stand-by assignment, the stand-by rate may be prorated upon approval from the employee's Department Head or designee.

b. Assignment to Stand-By Duty:

The determination of whether stand-by duty is necessary shall be made at the discretion of the Department Head, with the exception that Public Works agrees to provide an opportunity for stand-by duty assignments for including, but not limited to: (1) General Public Works, (2) Water/Wastewater, and (3) Well Rounds/SCADA. The parties agree the list for Water/Wastewater is not required to

be established until the completion of the meet and confer process in Section 7.3 of this Article.

When stand-by duty is necessary, the Department Head, or his/her designee, will establish a stand-by duty roster which shall be distributed to employees and posted. The roster shall first be populated by those employees who volunteer for such duty. However, if at any time there is an insufficient number of employees who volunteer for stand-by duty, the Department Head shall have the discretion to either (1) establish a mandatory stand-by duty list which all employees are required to participate in, unless the employee lives outside of the response time area, or (2) retain the services of a contractor to perform the services.

The Department Head will give affected employees reasonable notice and an opportunity to volunteer before establishing a mandatory stand-by duty roster or before arranging for the work to be performed by a contractor.

c. General Requirements for Stand-By Duty:

Stand-by duty requires the employee to:

- (1) be reachable by telephone or other communication device; and
- (2) be able to physically respond to work at the City Yard or other work site within forty-five (45) minutes; and
- (3) refrain from activities which might impair their ability to perform assigned duties; and
- (4) comply with other operational policies and directives as promulgated by management.

Employees assigned to stand-by duty will be provided with a specific stand-by City issued phone and a City vehicle.

Employees assigned to stand-by duty are required to respond to all calls received, during the period of stand-by duty, within fifteen (15) minutes. Failure to timely respond to a call may be subject to disciplinary action.

If an employee is not assigned to stand-by duty, he/she is not obligated to respond to work-related calls he/she may receive. This provision does not prevent the City from ordering an employee to respond to work during a bona fide emergency, if the City makes actual verbal or personal contact with the employee and the employee is able to meet the requirements for such a response. Such employees shall not be subject to any reprisal for failing to respond to off-duty calls or for not being able to meet the requirements for such a response (i.e. refraining from activities during their scheduled off-duty time which might impair their ability to perform work, or located outside of a response area, etc.).

d. Trades:

Any voluntary change or substitution to stand-by duty must be approved by a supervisor and made for the entire week of stand-by.

7.3 Department Procedures:

Each Department Head may adopt internal procedures for stand-by and call-back that are consistent with this Article. Such procedures are subject to the meet and confer process.

The parties further agree to complete the meet and confer process on the internal procedures for stand-by and call-back in the Public Works Department by no later than January 1, 2017. This process shall include, but is not limited to the rate of compensation for an employee that may not be able to complete his/her full week of stand-by assignment and the employee who may be assigned for partial coverage.

ARTICLE 8 -- COMPENSATORY TIME OFF

8.1 Compensatory Time Off:

- a. All employees who earn overtime compensation, as defined in Section 6.3 of this MOU, may elect to convert earned overtime to compensatory time off ("CTO") at the rate of one and one-half (1½) hours for each hour actually worked. Additionally, hours that are not actually worked during call back pay cannot be converted to CTO. An employee who has accrued hours of CTO is required to receive monetary compensation for all additional overtime worked.
- b. Unit members shall be entitled to convert a maximum of fifty three and thirty three hundredths (53.33) hours of overtime into eighty (80) hours of CTO.
- c. Employees shall be permitted to use CTO within a reasonable period of time after the employee makes a request, provided that it does not unduly disrupt the City's operations. Unduly disrupt shall mean that it would impose an unreasonable burden on the City's ability to provide services of acceptable quality and quantity for the public during the time the employee requested off. An employee who wishes to take CTO must submit a request to his/her immediate supervisor in advance of the intended use of the CTO.
- d. At any time, an employee may request that all or some of his/her accrued CTO be cashed out. CTO is cashed out at the employee's then current regular rate of pay. An employee wishing to cash out his/her CTO shall submit his/her request to his/her Department Head in writing. CTO may be cashed out in increments of not less than eight (8) hours unless the balance of the employee's compensatory bank is less than eight (8) hours.

- e. Any unused CTO as of December 31st of any year shall be carried over to the next calendar year.
- f. An employee whose employment is terminated for any reason shall be paid for all unused CTO at a rate of the higher of (1) the average regular rate the employee earned during the last three (3) years of employment; or (2) the final regular rate earned by the employee.

ARTICLE 9 – BILINGUAL PAY

- c. Initial probationary employees
- d. Trainee part-time employees
- e. Trainee full-time employees
- f. Contract employees

33.2 Seniority:

When the City orders a reduction in the work force, the layoff of regular status employees shall be first based upon seniority within a classification and secondly, based upon seniority in total service with the City.

33.3 Ties in Seniority:

Regular status employees in the same division with equal time in a classification and total service in the City shall be laid off based upon past performance ratings and relative ability as determined by the City.

33.4 Bumping Rights:

In order to exercise bumping rights, a regular status employee must have previously served in the lower classification and must have seniority in that classification over the regular status employee who would be displaced.

33.5 Voluntary Demotion:

A regular status employee who is subject to layoff may, in lieu of layoff; choose a demotion to a lower classification in the same division, provided he/she gives written notice to his/her Department Head ten (10) calendar days after receiving notice of layoff. Regular employees who elect to demote under this provision shall be placed on the step nearest their present salary within the range of classification to which they are demoting, provided such step shall not exceed present salary.

33.6 Notice:

The City shall give, or send by regular and certified U.S. mail to the last known address of affected employees, written notice at least fourteen (14) calendar days prior to the effective date of the layoff. Notice is not affected by failure of employee to return receipt for certified mail. Under emergency circumstances, the notice period may be shortened. The recognized employee organization shall be in receipt of the layoff notice twenty-four (24) hours prior to the time affected employees are notified, provided such notice shall be kept in strict confidence by the employee organization. The notice shall include:

- a. The reason for layoff
- b. The effective date of the action
- c. If laid off out of seniority

33.7 Re-employment:

Regular status employees laid off or taking voluntary demotion in service shall be re-employed in the inverse order of their layoff or demotion. Regular status employees laid off or taking a voluntary demotion in rank shall be maintained on the reemployment list until such employee once refuses to accept reinstatement or for two (2) years, whichever occurs first. The seniority date of a returning employee, after resignation or termination, shall be the first working day after the break in service. Seniority date of laid off employee's remains the same for the two (2) year reinstatement period.

ARTICLE 34 -- GRIEVANCE AND DISCIPLINARY APPEALS PROCEDURE

34.1 Grievance:

A "grievance" shall mean a written allegation by an employee(s) or the Union concerning a dispute arising out of the interpretation or application of the specific terms of this MOU and/or written employment policy, rules and regulations which affect terms and conditions of employment. An authorized Union representative may file a "grievance" on behalf of all employees to avoid a multiplicity of grievances over the same dispute.

34.2 Scope of Grievances:

A grievance may be filed if a management interpretation or application of the provisions of this MOU adversely affects an employee's wages, hours or conditions of employment.

Specifically excluded from the scope of grievances are:

- a. Subjects involving the amendment or change of City Council resolutions or ordinances which do not incorporate the provisions of this MOU;
- b. Matters which have other means of appeal;
- c. Position classifications;
- d. Standard or better Performance Evaluations.

34.3 Representatives:

An employee may represent himself/herself or may be represented by Union during any step of this procedure.

34.4 Procedural Due Process:

The grievance procedure contained herein shall not act as a substitute for procedural due process rights for individual employees, with respect to pre- disciplinary/discharge matters.

34.5 In resolving disciplinary matters other than reprimands, the City and Union agree to proceed immediately to the first two (2) steps of the grievance procedure as provided herein. In the event a disciplinary matter is not resolved in Step 2, the aggrieved employee may appeal as provided herein. The parties may, by mutual consent, waive their right to proceed with any of the steps of the grievance procedure.

34.6 Days:

Reference to days in this procedure shall mean calendar days.

34.7 Time Limitation and Waiver:

A grievance shall not be valid unless it is submitted to the City's designee, in writing, setting forth the facts and the specific provisions of the MOU allegedly violated and the particular relief sought within ten (10) days after the date the grievant knew or in the exercise of reasonable diligence, should have known, of the event giving rise to the grievance occurred. Failure to file or process any grievance within the prescribed time limitation may constitute a bar of such grievance.

Failure by the City's representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the grievant may appeal to the next level. The City's representative, prior to issuing a decision at Step 1 or Step 2, shall meet with the grievant and his representative, if any. Any issue or dispute concerning the

procedures of this grievance procedure, including the timeliness of the filing or processing of a grievance, shall be subject to determination by the hearing officer.

34.8 Informal Conference:

Prior to filing a formal grievance, an employee should discuss his grievance with his immediate supervisor in an effort to adjust the alleged grievance informally.

34.9 Step 1:

If the grievance is not resolved through the informal conference with the immediate supervisor, the employee may file a written grievance with the Department Head within the time prescribed in Section 34.7 of this Article. Within five (5) days after receipt of the written grievance, the Department Head and/or other representatives as may be designated by the City shall meet with the grievant. A written decision shall be given to the grievant within ten (10) days thereafter.

34.10 Step 2:

If the grievance is not resolved at Step 1, the grievant shall have ten (10) days after receipt of the Step 1 decision to file a written appeal to the City Manager. Within seven (7) days after receipt of the written grievance, the City Manager and/or other representatives as may be designated by the City shall meet with the grievant.

A written decision shall be given to the grievant within ten (10) days thereafter.

34.11 Step 3:

In the event the grievance is not resolved in Step 2, the grievant may appeal within fifteen (15) days by filing written notice with the City Manager.

If, within the fifteen (15) day appeal period, the employee involved does not file said appeal, the action of the City shall be considered conclusive and shall take effect as prescribed.

If, within the fifteen (15) day appeal period, the employee involved files such notice of appeal by giving written notice of appeal to the City Manager, a time for an appeal hearing before a hearing officer mutually selected by the parties (employee and/or Union or City) shall be established. The date for a hearing shall not be less than ten (10) days, nor more than thirty (30) days, unless agreed otherwise, from the date of the filing of the appeal. All interested parties shall be notified in writing of the date, time and place of the hearing at least seven (7) calendar days prior to the hearing.

The decision of the City Manager shall be final and binding and shall not be referable to a hearing officer in grievances concerning:

- a. Sub-standard Performance Evaluation;
- b. Deferral or denial of a merit increase; or

c. A three (3) day suspension or any lesser action.

34.12 Conduct of Hearings:

All hearings shall be open to the public, provided, however, that the hearing officer shall, at the request of the employee, exclude the public from all or any portion of such hearings.

The hearing need not be conducted in accordance with technical rules relating to evidence and witnesses but hearings shall be conducted in a manner most conducive to determination of the truth.

The hearing officer shall determine relevancy, weight, and credibility of testimony and evidence. He shall base his findings on the preponderance of evidence.

Decisions made by the hearing officer shall not be invalidated by any informality in the proceedings.

The hearing officer shall not have the authority to add to, modify, or subtract from this Agreement or to take testimony from one party outside the presence of the other. The hearing officer shall not have the authority or power to render a binding decision that requires the City to expend additional funds, to hire additional personnel, to buy additional equipment or supplies, or to pay wages or benefits not specifically provided for in this Agreement or to take any action which would be in violation of Federal or State laws.

In disciplinary matters, the hearing officer may sustain or reject any or all of the charges filed against the employee. He may sustain, reject or modify the disciplinary action invoked against the employee. He may not provide for discipline more stringent than that invoked by the appointing authority.

34.13 Hearing Officer's Decision:

The hearing officer shall render his decision as soon after the conclusion of the hearing as possible and in no event later than thirty (30) working days after conducting the hearing. His decision shall set forth which charges, if any, are sustained and the reasons therefore.

The hearing officer's written findings and conclusions, which support his/her decision, shall be filed with the City, the charged employee and his/her representative, if any. Except as provided hereinafter, the decision of the hearing officer is final and binding and shall be implemented by the City Manager. The cost of the hearing and the hearing officer's fees shall be borne equally by the parties.

Notwithstanding the foregoing, in the case of an appeal over an employee termination, the decision of the hearing officer shall be subject to review by the City Council. The City Council, by a minimum of four-fifths (4/5) affirmative votes, may sustain, reject or modify the decision of the hearing officer. Upon request, the affected employee or his/her representative shall be permitted to address the City Council in closed session prior to the City Council taking action on the appeal. The decision of the City Council shall be final and binding.

ARTICLE 35 -- SHOP STEWARD

35.1 Shop Stewards:

A Shop Steward shall be a City employee as selected by the Union. A list of Shop Stewards shall be kept current and sent by the Union to each Department Head and to the Human Resources Manager.

Up to three (3) Stewards in the unit, designated by the Union, shall be allowed paid release time for Union business, up to two (2) hours per Steward per month, and shall be entitled to additional paid release time for grievance meetings with management.

Stewards shall not leave their work assignment, nor interfere with the work of another employee, without first obtaining permission from the supervisors of the Steward and any involved employee.

Additional release time, which shall be unpaid, may be allowed at the discretion of the supervisor. Release time hereunder shall not be unreasonably denied.

ARTICLE 36 -- EDUCATIONAL REIMBURSEMENT AND INCENTIVE

36.1 Educational Reimbursement Program:

Full-time, regular employees of the City who have passed original probation shall qualify for participation in the educational reimbursement program. The program covers courses taken at accredited colleges, accredited universities, correspondence courses and other institutions. Reimbursement shall not exceed two thousand dollars (\$2,000.00) per calendar year.

36.2 Reimbursement will be subject to the following:

- a. The course elected must be of benefit to the City and directly related to the employee's current duties or future employment with the City. Courses taken to satisfy an associate, bachelor's or master's degree requirement may be approved, provided that the degree goal is in the field of current employment of the employee or future employment with the City.
- b. Each employee must attend on his/her own time and complete the course satisfactorily with a passing grade of "C" or its numerical equivalent, or a "pass" or "credit" for the class.
- c. The employee must obtain approval, in writing, from the Department Head or his/her designee, prior to enrolling in the course.
- d. Such reimbursement shall include tuition, books and parking fees used to complete course requirements on assigned projects, but shall not include travel time, mileage, and other miscellaneous costs.

- e. Upon completion of the course, the employee shall attach his/her grade report, along with receipts for covered items to his/her approved application for educational reimbursement and present it to the Department Head. The Department Head shall forward the records of completion to the Human Resources Manager.
- f. The Human Resources Manager shall authorize a tuition education reimbursement upon certification of satisfactory course completion.
- g. Copies of courses completed and the grades attained shall be maintained in the employee's personnel file and in the department's file.
- h. Applications for reimbursement shall be accepted no later than one (1) month after the course grades have been distributed.
- i. In order to participate in the educational reimbursement program, an employee shall be required to provide the City with written authorization to deduct the costs of such course(s) from the employee's last pay check if the employee leaves the City service within one (1) year after completion of the course(s) paid for by the City. If the last paycheck is insufficient to repay the costs, the employee shall be required to make appropriate arrangements, including a promissory note, to repay the balance within one (1) year of leaving the City service. The City Manager may alter the above requirements in unusual circumstances.

36.3 Educational Incentive Program:

The City will pay a maximum of one hundred dollars (\$100) monthly to those unit members presently holding or hereafter obtaining an Associates, Bachelor's, or Master's degree directly related to the performance of their duties.

ARTICLE 37 -- CERTIFICATE INCENTIVE PROGRAM

The City will pay a maximum of one hundred dollars (\$100) monthly to those unit members presently holding or hereafter obtaining certifications directly related to the performance of their duties. The specific certifications, job positions and eligibility requirements to participate in the program are listed in Appendix "B" of this MOU.

In January of each year, the parties shall meet to make additions or amendments, as necessary, to the list of certifications and/or positions.

ARTICLE 38 -- RULES OF CONDUCT

38.1 Rules of Conduct:

When people work together, certain rules and regulations are necessary so that the business of the City may be conducted in an orderly manner and the welfare of the employees protected. City rules are founded on common sense and the principles of good citizenship.

The City does not wish to restrict the rights of anyone, but rather to define them. Violation of these rules or regulations may result in disciplinary action.

38.2 Non-City Sponsored Activities:

- a. Activities not sponsored by the City such as: speeches, distribution of any kind of literature, interviewing employees, etc., regardless of their source or subject matter, shall not be allowed on City property or during working hours, unless specifically authorized by the City Manager.
- b. Solicitation for items of any kind and the sale of merchandise on City property or during working hours must be specifically approved by the City Manager.

38.3 Rules of Order:

- a. Employees are expected to go directly to the department to which they have been assigned.
- b. Employees shall not bring on premises articles to be sold or bartered.
- c. While on the City premises or during working hours, employees shall not:
 - (1) Work on other than City business unless specifically authorized by the City Manager.
 - (2) Loiter in the restrooms, break room or other locations.
 - (3) Engage in horseplay.
 - (4) Meddle with machines, material, apparatus, tools or equipment assigned to other employees.
 - (5) Spit on floors, walls, or in the drinking fountains, wastebaskets or rubbish cans.
 - (6) Have firearms in their possession under any conditions unless assigned as part of City-required equipment.
 - (7) Sleep on the job.
 - (8) Submit reports, which are knowingly false.
 - (9) Leave the City premises or job site without proper permission of their supervisor.
 - (10) Commit acts of insubordination by refusing to obey instructions, requests or orders as given by supervisors, or directing disrespectful remarks toward and/or about supervisors.
 - (11) Refuse to cooperate with supervisors and/or other employees, which would interfere with the best interests of the City.

38.4 Morals:

The City desires to maintain wholesome working conditions. Employees who participate in objectionable activities, such as the following, on City premises or during working hours, are subject to disciplinary action:

- a. Possession, transportation or consumption of alcoholic beverages or illegal drugs. Drinking is not permitted during working hours. Being under the influence of alcoholic beverages during working hours is prohibited. Consuming alcoholic beverages at any time in any public place while wearing a City uniform or insignia is prohibited. Using or possessing illegal drugs on City property or during working hours is prohibited.
- b. Gambling in any form such as, but not limited to, betting or wagering, card playing for stakes, raffles, lotteries, pools, numbers and punch cards. The prohibition of gambling applies not only to the sale or distribution of tickets, but also to the purchasing of such ticket, except as may be allowed by State law.
- c. The use of offensive, profane or vulgar language. This includes, but is not limited to, swearing at a co-worker or threatening the co-worker with physical violence.
- d. Fighting.
- e. Acts of dishonesty, including, but not limited to, theft.
- f. Malicious slander about another employee.
- g. Immoral behavior.

38.5 Attendance and Working Hours:

- a. The supervisor shall schedule two (2) breaks and the lunch period in each working day. The department supervisor may modify the break and lunch periods to suit the needs of the department.
- b. Employees are expected to be at their place of work at the starting time specified by their supervisor. In the event an employee is going to be either absent or tardy, he is to notify his department supervisor or the Public Works Department by telephone or other means, at the earliest possible time.

Any employee absent without notifying the City may be subject to disciplinary action.

- c. In order to reemphasize the policies of the City and to insure compliance with Federal and State laws, it is mandatory that all employees follow these regulations:
 - (1) Employees shall not be permitted to start work before the time specified by the department supervisor. Work includes any handling of tools, equipment or material prior to performing actual job duties.

- (2) Employees shall not work after the time specified by the department supervisor and must leave the City premises immediately. They shall not be permitted to linger at the Corporation Yard.
- (3) Employees are not permitted to work during their lunch period.

38.6 Personal Conduct:

All City employees must bear in mind that their appearance and conduct directly affects the public's opinion of their City government. It is, therefore, each employee's responsibility to:

- a. Maintain proper relations with the public while performing his/her duties— this includes mannerisms, personal appearance and spoken word.
- b. Conduct himself/herself in accordance with the spirit and letter of all laws of the community.

38.7 Accident Involving City Property or Equipment:

City employees are expressly forbidden to make statements concerning accidents involving City property or equipment unless authorized by the City Manager or City Attorney.

ARTICLE 39 -- CLASSIFICATION

39.1 Reclassifications:

An employee who demonstrates that he/she meets the qualifications and requirements of a more advanced classification can be re-classed to a higher salary range.

The salary anniversary date, the date on which the employee is eligible for a performance evaluation and/or merit increase, does not change.

The employee shall be compensated at the step in the new salary range, which comes nearest to, but not less than, five percent (5%) higher than the step she/he held in the previous salary range.

A reclassification effective on the employee's annual review date makes him/her eligible for a step increase in addition to the change in salary range, if the employee is not on the top step of the classification.

39.2 Natural Progression:

The following classification series were designed to create a natural progression with incumbents progressing to the next level upon obtaining the requisite skills and knowledge of the higher classification:

- Accounting Technician I and II
- Building Inspector I and II

- Library Assistant I and II
- Office Specialist I and II
- Public Works Inspector I and II
- Utility Worker, Maintenance Worker I, and Maintenance Worker II
- Water Distribution Operator I and Water Distribution Operator II
- Waste Water Collection Operator I and Waste Water Collection Operator II

In order to progress to the next level, an evaluation of the incumbent's skill and performance level with a reclassification recommendation must be completed by management and approved by the Human Resources Manager and City Manager.

39.3 Classification Review Procedure:

The Human Resources Manager is primarily responsible for the initiation of classification review studies and the recommendation of changes to the classification plan.

An employee may initiate a review of his/her classification by submitting a written request, which includes the reasons for the request to their Department Head.

If the Department Head has twice refused to refer the request to the Human Resources Manager, the employee may send the request to the Union. The Union may refer such written requests to the Human Resources Manager. The Human Resources Manager shall take one of the following actions:

- a. Accept the request for study, or
- b. Return the request to the Union with an explanation for non-action.

Requests referred to the Human Resources Manager are subject to the same discretionary judgments regarding priority as other requests.

39.4 Establishment of New Classification:

The City agrees to give written notice to the Union of the establishment of any new classification in the bargaining unit, the job duties for that classification and the proposed pay rate for that classification. If the Union does not agree that the pay rate set for the classification is proper, the Union may request meet and confer on that issue. A request by the Union for meet and confer must be made within ten (10) working days following receipt of such notification from the City.

ARTICLE 40 -- PROMOTION PROCEDURE

40.1 Promotion Procedure:

A promotion is normally effected by a recruitment process, initiated by recommendation of the Department Head to the City Manager. By job flyer/announcement, a competitive examination is conducted which may involve a written test, oral appraisal, performance examination, an assessment center, or a combination of those elements.

The successful employee may be placed on a salary step lower than the employee had before the promotion, depending on the recommendation of the Department Head, but not less than five percent (5%) above former salary.

The promoted employee would be placed on a probationary status in the new position for six (6) months, one (1) year for safety classifications, and evaluated at three (3) months and again at six (6) months.

The salary anniversary date changes to the date six (6) months from the new appointment and the incumbent would be eligible, based on a satisfactory evaluation, for a five percent (5%) step increase at this time and on this date annually until top step is achieved.

ARTICLE 41 -- RULES AND REGULATIONS

41.1 Rules and Regulations:

The City shall have the right to issue reasonable employee rules and regulations not in conflict with the express terms of this MOU, provided that such rules and regulations are:

- a. Discussed with the Union prior to adoption;
- b. Submitted to the Union prior to adoption; and
- c. Posted in conspicuous places so that employees are advised and have notice of such rules and/or regulations prior to their implementation.

ARTICLE 42 -- COMPLETION OF MEET AND CONFER

42.1 Understanding:

It is intended that this Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

42.2 Waiver:

Except as specifically provided herein in this MOU, it is agreed and understood that the Union voluntarily and unqualifiedly waives its right, and agrees that the City shall not be required to negotiate with respect to any subject or matter covered herein during the term of this Agreement.

42.3 Any agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto, and if required, approved and implemented by the City Council.

42.4 The waiver of any breach, term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

42.5 Re-Opener on Mandated Certifications:

In the event a State or Federal mandate occurs during the period of this contract and requires special certifications to be maintained by City employees, parties agree to meet and confer within fifteen (15) calendar days of receipt of a written request from the other party. Said request shall state the reason and purpose of the request. Discussions shall be limited to only the issues related to the mandate, and shall not be deemed as a re-opener, and no other article or provision of this Agreement shall be affected.

42.6 Re-Opener on City Personnel Rules:

Notwithstanding the terms of this MOU, upon thirty (30) days' notice by the City to the Union, the City may re-open on the subject of revisions to City's Personnel Rules.

ARTICLE 43 -- SAVINGS CLAUSE

43.1 Savings Clause:

Should any provision of this MOU, or any application thereof, be unlawful by virtue of any Federal, State or local laws and regulations, or by court decision, such provision shall be effective and implemented only to the extent permitted by such law, regulation or court decision.

In the event of such invalidation, the City and the Union agree to meet and confer, within thirty (30) days from receipt of a written request by either party, regarding proposals addressing the invalidated provision. But in all other respects, the provisions of this MOU shall continue in full force and effect for the term thereof.

ARTICLE 44 -- PERSONNEL FILE

44.1 Personnel File:

The City, upon reasonable advance request, shall provide an employee the opportunity to review his/her personnel file. Copies of the contents of this file requested by the employee shall be provided at no expense. The Human Resources Division shall maintain the official personnel file.

The employee may respond in writing to any item placed in their personnel file. Such written response shall become a part of the file.

The employee shall have the opportunity to review and shall sign any personnel document that reflects an adverse action, prior to such document being entered into the employee's personnel file. The employee's signature does not necessarily indicate agreement, and each document shall indicate so.

ARTICLE 45 -- HEALTH AND SAFETY

45.1 Standards of Operation:

The City agrees to abide by and maintain in its facilities and work operations standards of safety and health in accordance with applicable safety laws and regulations.

45.2 Required Safety Devices, Equipment and Clothing:

The City shall provide required safety devices and personal protective equipment and clothing for all employees. Such devices, equipment and clothing, where provided, must be used.

45.3 Unsafe Working Conditions:

If an employee reasonably believes that an assigned job or equipment is unsafe, and for that reason refuses to perform the job, the employee shall immediately give specific reason(s) to the supervisor. The supervisor shall request an immediate determination by the City Safety Representative or designee as to whether the job or equipment is safe. Pending a safety analysis and determination provided for in this Section, the employee may be given suitable work elsewhere. If the work is deemed safe by the City Safety Representative or designee, the employee shall complete the assigned job.

45.4 Reporting Procedure:

Employees may report specific concerns, in writing, regarding safety and health to their supervisors. The City shall address such concerns, and where appropriate, conduct an investigation. If an investigation reveals that a safety hazard exists, the City shall take reasonable steps to eliminate the hazard.

45.5 Safety Committee:

The City shall have a Safety Committee in accordance with the City's Illness and Injury Prevention Program. The Union may select its employee representative to the Committee. Said representative shall be paid for time spent at Safety Committee meetings. The Union shall receive copies of Safety Committee meeting minutes.

45.6 Workplace Safety Training:

During the term of this Agreement, the City agrees to provide training for all employees on workplace safety. Such training will be provided in a joint effort with the Human Resources Division and the Hemet Police Department.

Training for employees at the Library and City Hall shall be provided prior to June 30, 2017.
